| <b>Total</b>    | <b>\$</b> | <b>33,083.17</b> |

# Quorum's New Approach Makes the Greatest Impact on Your Performance

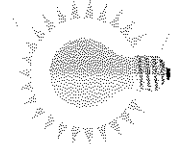

## WHAT PROMPTED THE CHANGE?

In keeping with our mission, we asked ourselves the following questions:

How can Quorum help our client hospitals create a sustainable future?

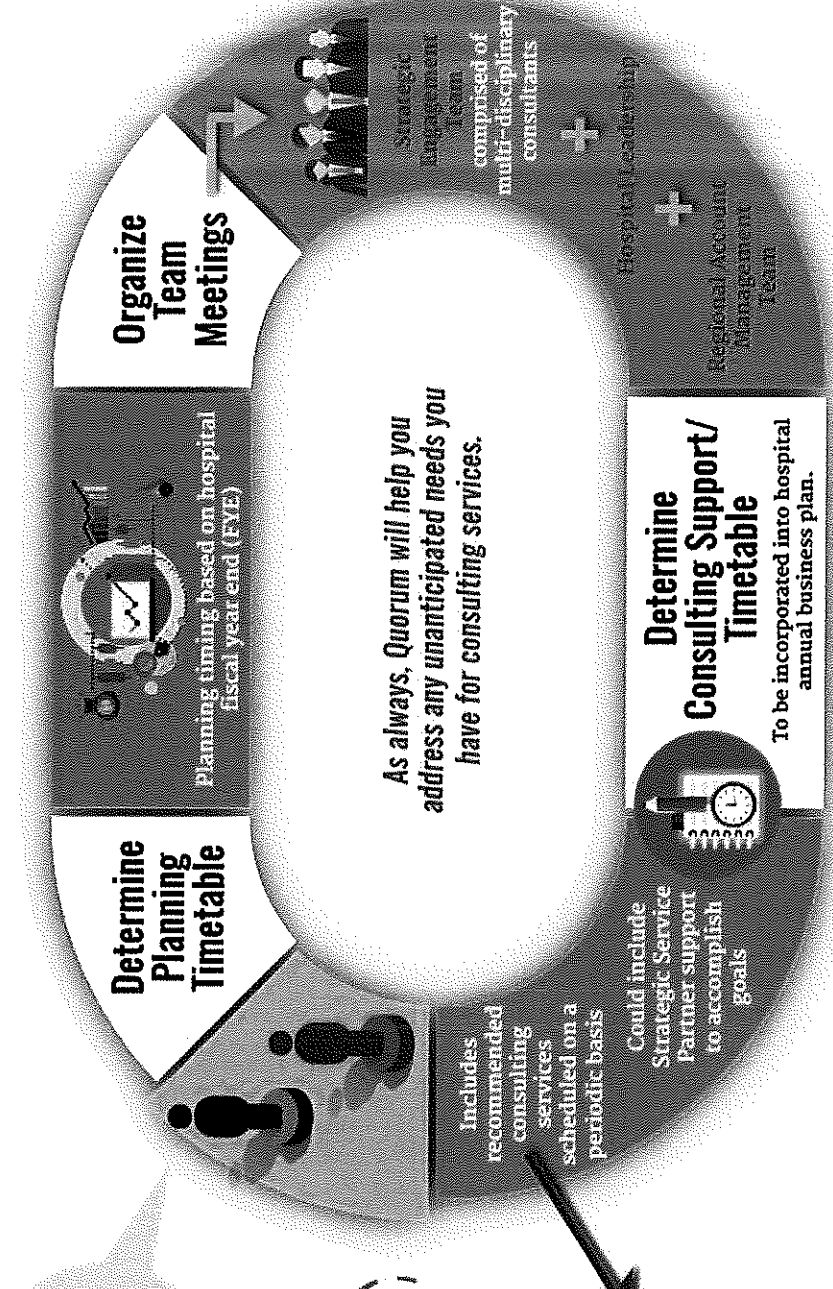

How can Quorum provide more consulting support to the critical areas of need for each client hospital?

How can Quorum help clients address challenges faster?

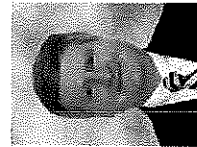

**THE ANSWER:** A holistic approach developed by Hospital Executives, Consultants, and Regions to provide the right services in a focused effort at the right time to make the biggest impact on performance.

| Recommended Engagements           | Annually | 2 years | 3 years |
|-----------------------------------|----------|---------|---------|
| Contractual review                |          |         |         |
| Cost report (GAH) review          |          |         |         |
| Productivity benchmarks review    |          |         |         |
| Quality/Clinical review           |          |         |         |
| Compliance review (on-site)       |          |         |         |
| Mock Survey                       |          |         |         |
| Community Health Needs Assessment |          |         |         |
| Strategic Plan                    |          |         |         |
| Chargemaster review               |          |         |         |

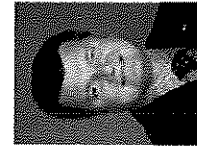

## What Hospital Executive Participants Have to Say:

**Bob Hetrick, CFO**  
Newberry County Memorial

"As a hospital CFO, I appreciate that this new process focuses on the support the hospital truly needs to improve, and how Quorum can help us get there."

**Jeff Hill, RVP**  
Recent CEO, Steele Memorial

"I was impressed with the team approach to improving value to our client hospitals. This will allow us to deliver customized solutions to meet our client hospital's needs."

**Ned Hill, CEO**  
Northern Hospital of Surry County

"This plan will significantly improve the value of our consulting services, identifying and helping implement solutions to the challenges we face in the field."
