

New Year, New Changes

By Terali Stonehocker, QI Director/Risk Manager

Ferry County Public Hospital District welcomed Paul Schoenfelder, RN, to the District's team January 5, 2016. Paul is joining the team as an "In-Training" Chief Nursing Officer (CNO).

Paul will be assuming duties for the nursing department currently being handled by Terali Stonehocker. Terali will continue with other duties of her current position.

Paul has 30 years of nursing experience having worked in both large and small hospitals. His background is mostly Intensive Care and Emergency Department nursing. He has 10 years of experience as a Chief Nursing Officer in two other hospitals. He has specialty Intravenous (IV) training. Paul is trained and has current certifications in Advance Cardiac Life Support (ACLS), Pediatric Life Support (PALS), Neonatal Resuscitation (NRP), Trauma Nurse Core Course (TNCC) and is a CPR instructor.

He also has 10 years pre-hospital experience.

Paul moved to Republic from South Dakota, and is looking forward to the fishing, hunting, hiking, distance walking, motorcycle and bike riding.

FCPHD plans to have an open house soon for community members to meet Paul.
