

Available Healthcare Financial Counselor Onsite

By Kelly Leslie, Chief Financial Officer

Did you know Ferry County Hospital District has a Financial Counselor available onsite to help you with financial options for managing your healthcare bill?

Ferry County Public Hospital District understands a hospital stay can be a stressful time for some families and to help lessen the strain our business office has a financial counselor available to provide information on payment options available for our patients. The District is also happy to provide a personalized cost estimate prior to any healthcare services to assist patients

in making an informed decision and be financially prepared prior to the billing process. We are here, ready to assist you and ease any concerns you may have.

The financial counselor's office is located in the Hospital registration lobby area and is available weekdays from 8 a.m. until 5 p.m. No appointment is necessary. Ashley, our Financial Counselor, can be reached locally at 509-775-3333.
